Second Sunday of Advent—10 December 2017

Sunday Thought

This life will go by fast! Don't criticize your body so much; don't complain so much! Don't lose sleep over your bills. Look for the person who makes you happy.

Don't worry so much about buying luxuries and comforts for your home, and don't kill yourself trying to leave an inheritance for your family. Those benefits should be earned by each person, so don't dedicate yourself to accumulating money.

Travel; enjoy your journeys; see new places; give yourself the pleasures you deserve. Don't put away the fine glassware. Use the new dinnerware; don't save your favourite perfume – use it, even when you go out by yourself; wear out your favourite sports shoes; repeat your favourite clothes. So what? Why not now? Take this challenge that is life, and do it now..... love more; forgive more; embrace more; love more intensely and leave the rest in God's hands.

Pope Francis
