### Sunday thought

We can easily see how **Jesus** should be the light of the world. We are, perhaps, unaccustomed to reflecting on ourselves as the light of the world and salt of the earth. This is an act of profound trust *in us* by God. Jesus has faith in us to be bearers of his Good News in our time. How are we to be that? Not first by our words or even by our deeds. We are the light and salt on account of who we are as disciples. As the Gospel text puts it, a city built on a hilltop cannot be hidden. We cannot help being seen as his disciples, for that is who we are.

Fr. Kieran O'Mahony, OSA
