Sunday Thought

The Feast today highlights the central place of the Eucharist in Christian Life, our faith that God becomes present in a real way in ordinary bread and wine—food for the journey of life in the bread, energy and joy for the journey of life in the wine. Each time we come to Mass, we take part in a real way in the death and resurrection of the Lord. The sacrifice of Christ on the cross and his resurrection is “made present” among us. It is a place and time of grace. So our Eucharist today is not just to commemorate something that happened many years ago. It is our commitment to Christ in his people and our faith in his real presence among us in the Eucharist and in each other.

Fr. Donal Neary, SJ
