Thought for the day

The five senses enable us to engage with others, with the world and with reality in general. We realise their significance when for whatever reason our senses no longer “work” as well as before.

The senses are also used in a transferred meaning, especially hearing and seeing, to point to faith.

Hence it is that at Baptism a special and quite beautiful prayer is said over the newly baptised. It is prayer we can use again and again all our lives.

Prayer (from the rite of Baptism)

“The Lord Jesus made the deaf hear and the dumb speak. May he soon touch your ears to receive his word, and your mouth to proclaim his faith, to the praise and glory of God the Father. Amen.”
