**33rd Sunday in Ordinary time– 18th Nov '18**

**Thought for the day**

Our expression “to have time for someone” is a heart-warming one, because giving time to someone is a real gift of myself, part of our consciousness of being human. The opposite—lack of time—is expressed in another idiom “Money rich but time poor.” To be poor in time is a great deprivation, even when self-inflicted. It is all a question of perspective, values and choices. We do need to value the fleeting time we have and not live only towards a future, as yet unreal, moment. In the words of St Paul, Look, now is the acceptable time; look, now is the day of salvation! (2Corinthians 6:2)

**Prayer**

Help me, eternal God, to accept your gift of the present moment. It is the only moment I will ever have, so let me inhabit it richly and fully, and celebrate your gift of life in abundance.
