**The Epiphany of the Lord  
6th January 2019**

**Thought for the day**

In our deepest selves, each of us is a mystery: Where do I come from? Where am I going? Why am I here? How should I live? The risk in our present culture is to sleepwalk through life, to be satisfied with a merely material existence. But the human "project" is much greater. Each of us is really on a pilgrimage, or better on a quest — a quest to become my true self, in the image and likeness of God. My truest self is found by being open to God, in whom we live and move and have our being. By following that star, by listening to our conscience and inner selves, we come home to God.

**Prayer**

You are the mystery at the heart all that exists: draw us to yourself, O Lord, that knowing you we find our true selves, and finding our true selves, we may come to know you.

**Hymns:**

Entrance Hymn: 'O'Come O'Come Emmanuel

Recessional: Hymn 57, Page 22
