Fifth Sunday of Easter — 19th May 2019

Thought for the day

According to the song, “the greatest thing you’ll ever learn is to love and be loved in return.” In our better moments, we all know this to be the truth about our human being. For believers, it is no surprise that the very thing we need most stands at the centre of the Christian faith: God is love. The match between our need and God’s disclosure is perfect. If we took that really to heart, many things would change: our practice of prayer, our relationships, our joy in believing, our way of sharing our faith, our living of discipleship. All we need is love. The astonishing servant love of God in Jesus is exactly what we most need.

Prayer

You are love itself and yet we hesitate. Open our inner selves to your gracious loving, that we may ourselves as beloved and being loved we may learn to love in return.

Please return Mass leaflets and yellow notices (if not taking home) to back of Church—Thank you.
