**Sixth Sunday of Easter — 26th May 2019**

**Thought for the day**

There is a move afoot to replace church teaching on the just war with a more proactive doctrine of just peace. As Paul VI observed long ago, peace is much more than the absence of war. In a world driven by conflict, peace is a matter of discipleship and, at the personal level, a matter of deliberate choice even in the everyday conflicts of our ordinary lives.

The prayer for peace goes well beyond praying for individualistic freedom from stress.

**Prayer**

O God, though the human race is divided by dissension and discord, yet we know that by testing us you change our hearts to prepare them for reconciliation. Even more, by your Spirit you move human hearts that enemies may speak to each other again, adversaries may join hands, and peoples seek to meet together. Amen.
