**Fifth Sunday in Ordinary Time —9th February**

**Thought for the day**

We can easily see how Jesus should be the light of the world. Even though the words are familiar, we are perhaps unaccustomed to reflecting on ourselves as the light of the world and salt of the earth. This is an act of profound trust in us by God. Jesus has faith in us to be bearers of his Good News in our time. How are we to be that? Not first by our words or even by our deeds. We are the light and salt on account of who we are as disciples. As the Gospel text puts it, a city built on a hilltop cannot be hidden. We cannot help being seen as his disciples, for that is who we are.

**Prayer**

Jesus, we believe that you are the light of the world and that you call us to bear your light to the world. Help us to be authentic disciples of yours, not drawing attention to ourselves, but to you, the source of our light and life.

Please return Mass leaflets and yellow notices (if not taking home) to back of Church—Thank you.
