**Thought for the day**

In the Gospels, "compassion" is used in a way which is restricted and instructive. Compassion is used only of Jesus himself or of God in some of the parables. The word itself means something like mercy, arising from deep within, a kind of spontaneous empathy and understanding, the kind of reaction a woman has for the child of her womb. When people are compassionate to us, it is because we need it and usually we are deeply touched and grateful. Such is our God! If we receive such compassion, we are obliged to give it in return, of course. This is the charter of Christian living.

**Prayer**

God, all merciful and all compassionate, help us to be like you that we may console others with the same consolation with which we ourselves has been consoled.

**Thank you for your continued support**— To donate to our parish you may use the Donate Button or place your donations, Double Wallet envelopes, Family Offering envelopes and Easter Dues envelopes into the baskets provided at the exit doors or the safes at the back of the Church.

As everyday can be regarded as 'Sunday' baskets will be in place each morning.

**I wish to sincerely thank all who have helped with this effort in these extremely challenging times.**

**Return of Church Groups** – with some restrictions being eased and people now returning to Mass we have had a few enquiries regarding the return of Church Groups.....

### **IMPORTANT NOTES**

- If you can it would be much appreciated if you would wear a face covering while in the Church.
- In order to relieve the pressure on our volunteers we would ask that you come early to be seated in time for start of mass.
- Please do not kneel, kneeling reduces the physical distance between people .
- As our numbers are restricted it would be appreciated if you could attend Mass on weekdays and leave weekend Masses for those who cannot attend during the week.
