

Advent

As week 4 of Advent begins, we light the final candle on our Advent wreath. We know that Christmas is now very close... just a few days more and we can light the white candle for Christmas day!

Our **Jesse Tree** has changed too: it has extra symbols.

You will find these extra symbols on our **Jesse Tree** in the church this week.

A scroll with the name John, tells us of Jesus' cousin, John the Baptist, who told everyone to get ready for the coming of Jesus

(You can read more about John the Baptist in last week's entry)

A saw, symbolising Joseph, the carpenter and foster-father of Jesus

A rose – representing Mary, the mother of Jesus

A star, for Jesus. When the star appears we know that Christmas is very near.
