THOUGHT FOR THE DAY

There is a story told about an elderly Cistercian, who on being asked what he believed at that point in his life replied, “I believe more and more in less and less”! It is not as paradoxical as it seems. As we go on, the core dimension of the faith should stand out for us. As Erasmus wrote, the essentials are few but essential.

PRAYER

God, your love is always there ahead of us, even before we are aware of it. Help us, therefore, to love you by letting you love us first. May we love you in our neighbor in need. Amen.
