THOUGHT FOR THE DAY

Money can easily distort our attitudes and values. It is tempting to react more warmly to those who give more generously—we all do it. It is easy to overlook the motive behind giving and focus, not on the giver, but on the gift. We do have the expression that it's the thought that counts. Usually, though, such proverbial wisdom is employed to help me/us be consoled when some expectation was not realised. Thus, this apparently consolatory thought acknowledges the tendency to the opposite, the attraction to the gift as such!! The Lord, however, reads our hearts.

PRAYER

Lift us up, O Lord, that we may always value what really matters, the heart and not the appearances, the giver and not the gift. When we give, help us remember that you love the cheerful giver, giving from the heart.

NOVEMBER THE MONTH OF THE HOLY SOULS

November is a time for remembering and praying for our loved ones who have gone before us and whose loss we feel. It is a time when we are particularly conscious of those who are grieving and all those families who have lost loved ones in the past year. Our Annual Mass for the Deceased will take place next Friday evening the 12th November at 7.30pm. All of our deceased are remembered at all Masses during November. Altar List of the Dead envelopes have been distributed to all homes in the Parish and returned Dead lists will be placed before the Altar during November.
