THOUGHT FOR THE DAY

Today we have a chance to reflect on the *mystery* of our own families! It really is a bit of mystery, how we mostly come out okay from this most intense and formative of experiences. We receive so much that we really want to ponder and to treasure. We can also be burdened by attitudes and traits that we might well wish we were without. Yet, through it all, we are grateful. Family is our “first love” and never really loses its importance for us.

PRAYER

Bless all our families. We thank you for the very gift of life itself we have through our parents and for all the other many gifts we receive from our families. We have received so much: help us to continue to give. Help us too to know what to overlook and forget, to pay attention to what can be healed and forgiven and through it all to continue to love. Amen.
