The Parish Team wish you all the Blessings of a very Peaceful New Year

THOUGHT FOR THE DAY

We are at the start of the new civil year and beginning again is an invitation to look in two directions. What happened for me in the last year, both in my ordinary life and in my life as a believer, a person of faith? For what do I ask forgiveness? For what do I give thanks? We also look forward and the new beginning gives us a chance to start again on the Way of discipleship. Both thanksgiving and renewal are to be found in today's readings. The Gospel is an invitation to wake up, to keep watch, to live fully the present moment under God, in whom we live and move and have our being.

PRAYER

Wake us up, O God, at the start of a new year and rouse us from the slumber of the everyday that we may recognise you in every moment and in every person every day of our lives.

Through Christ our Lord. Amen.
