THOUGHT FOR THE DAY

The great scenes in the Bible, precisely because of their greatness and indeed uniqueness, can be difficult to access personally. For the Baptism of Jesus, there are at least two potential approaches. Firstly, we could go back in our minds to a life-changing turning point in our own lives, so that we can speak of *before* and *after*. Secondly, we could also turn to our own experience when we felt deeply the affirmation of our identity and worth as “the beloved” of someone. In the case of Jesus, these are combined: his identity and life are one, something we would like to be able say about ourselves too.

PRAYER

Abba, Father, let us hear again today your words of affirmation to Jesus and in Jesus to us all. As your beloved sons and daughters, draw us more closely into your own life of love. Through Christ our Lord. Amen.
