14th August 2022

THOUGHT FOR THE DAY

The famous reflection of Teilhard de Chardin suggests itself: The day will come when, after harnessing the ether, the winds, the tides, gravitation, we shall harness for God the energies of love. And, on that day, for the second time in the history of the world, man will have discovered fire.

The uncertainties of today are evident, political, economic and environmental. What can we as people of faith contribute? Again in the words of Teilhard, "there is something wonderful afoot in the universe." The eyes of faith see the deeper pattern.

PRAYER

Lord Jesus, let me know myself and know you, and desire nothing, save only you. Look upon me, that I may love you. Call me, that I may see you, and forever enjoy you. Amen.
