## Twenty-Fifth Sunday in Ordinary Time 18<sup>th</sup> September 2022

### THOUGHT FOR THE DAY

The banking crisis is only one example of a wider “honesty deficit” in public life. Even people working for charities are sometimes found, unfortunately, to be lacking in integrity. As a result, the story of dishonest management will not lack contemporary echoes. It also means that the shock of story—the manager continues to fix the books for his own benefit—is just as much a shock today as it would have been in first-century Palestine. If that were not enough, the ironic teaching drawn in v. 9 borders on the sarcastic, not to say caustic. No missing the meaning, in any case! But what is the meaning? It can't be simply copy that distressing example of the manager. To act, not to delay, seems to be at the centre.

### PRAYER

I truly believe and I know, God of our hearts, that you love and desire all that I am. May your great love penetrate even the darkest parts of my life that I may know true conversion of heart and love you with my whole self.

*Please return Mass leaflets and yellow notices (if not taking home) to back of Church  
Thank you.*
