## Thirty-First Sunday in Ordinary Time

30th October 2022

### THOUGHT FOR THE DAY

Change is not an option because nothing remains the same. What is optional is how we respond to change. The Christian project—so apparently static and settled—is actually about the most revolutionary change which we call conversion. Conversion does not mean improving this or that in my life but resetting my whole compass. Jesus' foundational teaching is the invitation to convert and believe the Good News. For each of us, this is possible only because of our encounter with Jesus himself. Only in the light of that personal encounter does discipleship make sense, only in the light of personal relationship is true conversion of heart possible at all.

### PRAYER

Father, you call us to live and to change. May we hear the call to conversion, so as to live life abundantly.

*Please return Mass leaflets and yellow notices (if not taking home) to back of Church  
Thank you.*
