## THOUGHT FOR THE DAY

Thought for the day When core ritual practices undergo change, this indicates a major shift in worldview. A good example for today is how we conduct funerals. There was a traditional pattern which is now breaking down, even if slowly. The tradition reflected convictions: prayer for the dead, hope of eternal life, fear of judgement and so forth. The current “customisation” of funerals tells us that such a world of meaning no longer holds. What do people really think happens when we die? And yet, hope in the faithfulness of God, who raised Jesus is really at the centre of Christian faith from the very start. In any case, we’re all in for a surprise!

## PRAYER

Our loving God, you raised Jesus from the dead, the first fruits of all who have fallen asleep. Strengthen our hope in your abundant gift. Amen.

*Please return Mass leaflets and yellow notices (if not taking home) to back of Church  
Thank you.*
