GOSPEL TODAY

BE FRIENDS!

Jesus stayed strong

Frightening things
DO happen in
our world like:

Copy Jesus –
How did he stay strong?

- He **p** _____ (**d e y a r**) to God the Father.
- He reached out to **h** ____ (**p l e**) people.
- He **li** _____ (**d e n e t s**).
- He spoke **k** _____ (**y l d n i**).
- He showed his love to **ev** _____ (**y d o b y r e**).

Frightening things might happen in the world, but Jesus' friends do not need to worry. In the end, they will be safe with Jesus.

I can help!

Jesus is our friend and will help us through any difficulties in our lives. We can be good friends to other people when we help them. Ava is lost. Be a good friend and help her to find her way home safely.

Let's be friends!

Find an important message from the Gospel hidden in the picture frame. Read every other letter going around the frame in a clockwise direction. **Start with the heart.** _____

Fill the frame with a beautiful picture of you and Jesus. Give yourselves happy smiles!

Can you find another message hidden in the frame? Read every other letter going around the frame in the same direction using the letters you haven't already used. _____

The last two unused letters tell us who Jesus loves ____

A PRAYER TO SAY

Thank you, Jesus, for being my friend. Whatever happens, I know I do not need to worry because you are with me. Help me to be strong and be a good friend to others, just like you. Amen.

Spot the differences

The Temple was a special place to worship God. The Jews made it very beautiful because they loved God so much. **Can you find the five differences in these two pictures of the Temple?**

Answers: Jesus is my friend. Do not be afraid. Me. Jesus stayed strong: prayed; help; listened; kindly; everybody. Spot the differences: roof, entrance, trees, lines round upper door, flowers.
