33rd Week in Ordinary Time

16th Nov. 2025

Thought for the day

Thought for the day In A. A. Milne, we read the following scrap of dialogue: "What day is it?" It's today," squeaked Piglet. "My favourite day," said Pooh. Today has to be our favourite day because it is the only day we'll ever have. As St Augustine alarmingly noticed, the past is over, the future is not yet and the present, fleeting moment is the future becoming the past. And yet, this flying time is our "today of salvation," a day like no other, not to be repeated. See, now is the acceptable time; see, now is the day of salvation! (2 Corinthians 6:2) The pulse of life is the heartbeat of God.

Prayer

In this present moment, Lord, help us to put our fingers on the pulse of life, living fully life in abundance. Amen.

Please return Mass Leaflet and yellow sheet (if not taking home) to back of Church – Thank You.

Department of Education Survey- have your say: The current Department of Education survey on the future of patronage in the primary sector is important in that it will shape the discussion on primary school divesting for the years to come throughout the Republic of Ireland. The survey is school specific and **needs to be responded to by all parents and prospective parents locally.** It is important that those who wish for a change in patronage would have their voice heard. It is equally important that those who wish for a Catholic education for their children, and the support for sacramental preparation available in Catholic schools, would have their voice heard also. For those reasons and to ensure that an accurate picture emerges, **please participate in this survey if you are a parent or a prospective parent of a Primary school student. The survey can be accessed at www.gov.ie/primaryschoolsurvey/.**
