Twenty Fifth Sunday in Ordinary Time

20th September '26

Thought for the Day

God is not fair. In any case, it is not fair in human terms. For us, fairness means getting paid in proportion to the work done. For God, justice is equal pay. Where does this discrepancy come from? We value man in proportion to what he gives us. God values man because of his existence. For us, the existence of another human being has value when something results from this existence. For God, the existence of each of us is in itself a priceless value. In today's Gospel, employment in a vineyard means accepting Love as your way of life. Whoever has done it has done EVERYTHING and 'earned' the highest wage.

Prayer

Heavenly Father, thank You for being a righteous judge who sees every wrong, defends the weak, and brings truth to light. When the world feels unfair, we rest in the peace that You will make all things right with equity and love. Amen

Please return Mass Leaflet and yellow sheet (if not taking home) to the back of Church – Thank You.
