**WELCOME
JESUS!**

Good fruit

Jesus says the good things we do for him are like good fruit.

Match the letters in the apple with the letters in the pear to find some different kinds of fruit.

A PRAYER TO SAY

Help me, Jesus, to welcome you by listening to your message and loving other people. Amen.

A man owns a vineyard. When it is time to collect in the grapes, he sends his servants. The workers beat up the servants and send them away. This happens again and again. Eventually the man sends his son, thinking the workers wouldn't hurt him. He was wrong. The workers don't even listen to his son.
